AND SEWER SYSTEM TO AMEND ITS)
CONTRACT WITH REID VILLAGE WATER) CASE NO. 2002-00255
DISTRICT BY ESTABLISHING A MONTHLY)
MAXIMUM PURCHASE LIMIT)

O R D E R

On July 10, 2002, the Commission placed this matter on its docket to investigate a proposed revision by Mount Sterling Water and Sewer System (Mount Sterling) of its Water Purchase Contract with Reid Village Water District (Reid Village).

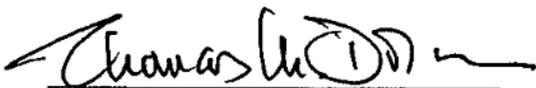

Pursuant to Commission Staff s request, both parties appeared for an informal conference on October 23, 2002. At that conference the parties agreed that further discussion could lead to a settlement of the matter. The Commission found that, as settlement negotiations were being conducted in good faith, the parties should be given sufficient time in which to negotiate a settlement. On July 3, 2003, Mount Sterling filed a letter indicating that it wished to drop the request for a revision of the contract with Reid Village. The Commission will treat the letter as a motion to dismiss the case and to continue the *status quo* of the contract.

The Commission, having been sufficiently advised, HEREBY ORDERS that this case is dismissed and is removed from the Commission s docket.

Done at Frankfort, Kentucky, this 17th day of July, 2003.
